

FURY MX100 RACE FUEL

MX100 improved formula is an oxygen-rich leaded formulation made specifically for two stroke motocross applications. MX100 is not simply a base fuel with oxygen added like other fuels on the market. MX100 is a two stroke-specific performance formulation that is a result of rigorous research & development. MX100 delivers unmatched power and throttle response, with remarkable stability under a wide range of air density and temperature conditions.
